

Harmony School of Innovation Dress Code

Each parent and student should read the dress code in the Student Handbook. The dress code will be strictly enforced by the teachers and administrators of HSI.

Some highlighted points that should be clearly understood are:

- Students will be required to wear school uniform shirts which they purchase from HSI. Shirts purchased from outside sources will not be allowed. Shirts **MUST** be tucked in at all times.
- Students will only be allowed to wear jackets with **NO** hoodies also HSI will be selling jackets.
- Students are not permitted to wear any form fitting clothing. This includes, but is not limited to, any pant that could be considered skinny jeans. Pants should be khaki or navy blue and should be slacks. Jeans, capris, cargos, shorts, corduroy, or skirts are not permitted.
- Students should wear their hair in a non-distracting manner.
- Large, distracting jewelry is not allowed.
- If there is a religious or medical condition that prohibits a student from following the school dress code, a written statement from a doctor or clergy member will be required.

Again, we ask that **ALL** policies be reviewed from the Student Handbook.

Thank you,

HSI Administration
